

ADHESIVES

AEROSOL ADHESIVES

#470 Feather Spray

- A high strength, high tack adhesive, ideal for bonding latex & urethane foams to themselves, fabrics, wood & metal surfaces.
- Available in Yellow or Clear.

108907 #470 Feather Spray Clear (375 g)

108908 #470 Feather Spray Yellow (375 g)

#476 Spray Adhesive

- A fast tack & fast drying all-purpose adhesive, formulated to reduce "soak-in" and staining on delicate materials and fabrics.
- The 3-way valve allows for the adjustment of the spray pattern from a narrow to a wide band for optimal spray control.

108909 #476 Spray Adhesive (375 g)

WOOD GLUE

112707 White Wood Glue (4 litre jug)

112708 Yellow Wood Glue (4 litre jug)

991000 Yellow Wood Glue (475 ml)

#74 Foam & Fabric Adhesive

- Bonds foams and fabrics to wood, metal, rigid plastic or themselves. Fast-tacking, controlled spray, high coverage. Dries tack- & odor-free. Bond lines stay soft, almost invisible.

106802 #74 Spray Cement Yellow (489 g)

#77 Spray Foam Cement

- A multi-purpose industrial adhesive. Translucent, fast drying, provides strong resilient bonds.
- Resists water and heat.

106803 #77 Spray Foam Adhesive (467 g)

GIMP GLUE

#504 Latex Adhesive

- A natural rubber latex adhesive used for bonding gimp to fabric, fabric to fabric and fabric to foam.
- Water resistant, dries clear.
- Ideal for repairing canvas and burlap.

108904 #504 Latex Adhesive (500 ml)
