

## STRETCHING PLIERS

### #250 Wide Jaw Pliers

- For stretching canvas, leather and webbing.
- 3 1/2" wide jaw has a hammer which acts as a lever for strong pulls.

607044 #250 Wide Jaw Pliers

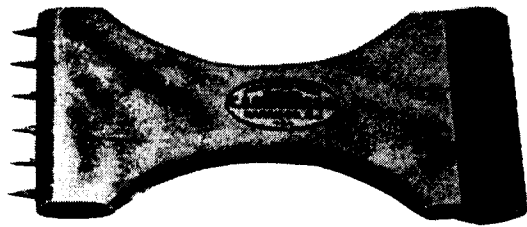

### #98 Duckbill Pliers

- For stretching material in tight places where #250 Wide Jaw Pliers won't fit.
- Jaw is 1/2" wide.

607045 #98 Duckbill Pliers

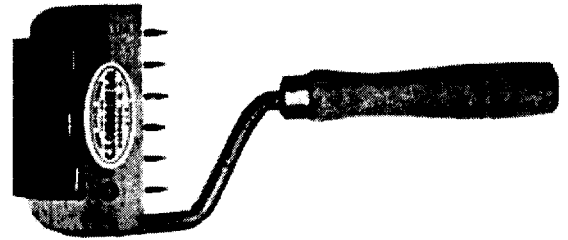

## WEBBING STRETCHERS

### #255 Webbing Stretcher

- Made of hardwood maple with corrugated rubber at one end and steel teeth at the other.

607042 #255 Webbing Stretcher

### #253 Gooseneck Webbing Stretcher

- Catches the webbing close to the frame for plenty of leverage. Equally efficient for right or left hand.
